INTERNSHIPS

Crafted With Love

Software Developer Intern

Remote

Aug 2024 - PRESENT

- Contributed to the development and enhancement of the company's eCommerce fashion platform, [AlienWardrobe](#).
- Revamped the site using **Next.js**, improving performance and user experience.
- Developed API routes and configured database schemas with **Prisma** to optimize data management.
- Gained hands-on experience with **Amazon AWS** for database management and deployment.

OpenWeaver

OpenWeaver Studio Developer Intern

Chennai, India

Feb 2024 - Mar 2024

- Utilized **OpenWeaver Studio**, a low-code platform, to design and develop customized websites for a diverse client base.
- Collaborated directly with **clients** to gather requirements, ensuring solutions were tailored to meet their specific needs.
- Delivered **high-quality**, client-focused websites, leading to increased satisfaction and **successful project outcomes**.

EXPERTISE

Programming Languages : Java, Python, Javascript, Typescript, Solidity, Dart, C#, SQL

Full Stack Development : React JS, NextJS, TailwindCSS, NodeJS, Express, Django, Flask, Prisma, Supabase, MongoDB

Mobile App Development : Flutter, React Native

Blockchain Development : Solidity, Ethers.js, Remix IDE, ChainLink, Galadriel, Farcaster Frames, Hardhat, Web3.js

ACHIEVEMENTS

- Co-Founder & CTO**: Designed, developed, and co-launched **FleetIQ**, a SaaS product for Transport Service Management, streamlining fleet operations, tracking, and maintenance for transportation businesses. (2024)
- First Place**: OpenWeaver MakeAthon (2023)
- Runners-Up**: UI/UX Hackathon by Sterlo (2023)
- Best Project Award & Best Paper**: "An Overview of Tangled" (2023)
- Fifth Place**: SEEDBRAINS 2.0 by Cambridge University, Bangalore (2022)
- Mentoring**: Mentored a cross-disciplinary team of 5 juniors from various engineering branches, guiding them to secure a top 10 position in Envision 2023—an initiative by LICET aimed at fostering networking and prototype development among freshmen.

CO-CURRICULAR ACTIVITIES

- Currently leading the department's **symposium (FLAIR 2k24)** as **President**, overseeing the management of **10 committees, 11 core members**, and **50+ student volunteers**. Responsible for ensuring smooth coordination across all teams and delivering a successful event that showcases technical and academic excellence.
- Actively participated in multiple **hackathons** and **symposiums**, securing various awards and gaining practical exposure to solving real-world problems through collaborative technical challenges.
- Served as a committee member of the **Pattarai Club**, a prominent technical talent pool at **LICET**. Developed various projects and participated in workshops on Full Stack Development and Mobile App Development
